CD & DVD Cases

Braunston Ltd is pleased to offer a range of packaging solutions for you discs. Available with our duplication service or as a stand alone product our packaging completes a professional look. From blank paper sleeves to double disk DVD digipaks we have a solution for every product. Our CD Jewel Case booklets include print to both sides and the tray inserts include print to the visible side. DVD case inserts include the sleeve for the outer window printed to the visible side. Other options are available to fit your specific requirements, please ask for details. All disks fit in to all packaging styles, however the DVD cases tend to be taller.
